From a lavish weekend in wine country to an evening of fine dining, supercar adventure or a wildlife safari, these luxury South Australian experiences will help create memories to last a lifetime.

## OFF-GRID IMMERSION

### ESCA, Inman Valley

Luxury off-grid accommodation brand ESCA boasts two special Nest & Nature suites nestled on a spectacular hilltop site on the Fleurieu Peninsula. Located in the beautiful Inman Valley, the self-contained, studio-style suites welcomed their first guests in 2022. Property owner Mark Kirk says the secluded location is like nothing else. "Being warm and secure among the rawness of nature, watching the sea mist engulf the valley ... it's like waking up in an executive hotel suite, immersed in nature with the utmost privacy, with kangaroos grazing out the front," says Mark. ESCA has partnered with local massage and yoga provider Pause InHouse Wellbeing for in-house massage and guided private yoga sessions in the suites or on the deck with a beautiful view.
